Re: College of Court Reporting - Early Implementation of the Rescission of the GE Rule

Per Gainful Employment Electronic Announcement #122 – Early Implementation of the Rescission of the Gainful Employment Rule and as announced in 34 CFR Parts 600 and 668 [Docket ID ED–2018–OPE–0042], RIN 1840–AD31, Program Integrity: Gainful Employment, this letter serves as official documentation of the College of Court Reporting's early implementation of the rescission of the GE rule.

As part of the rescission, the College of Court Reporting is removing all requirements mandated by the Gainful Employment rule in our publications and Website. The following was used as a guide for the removal of GE information:

"An institution that early implements the rescission must document its early implementation internally. It does not have to publish its decision to do so; however, it must make such documentation available upon request by the Department. Institutions that do not early implement the rule are expected to comply with the 2014 rule until the rescission becomes effective on July 1, 2020.

Institutions that early implement the rescission of the GE rule will not be required to report GE data for the 2018-2019 award year to NSLDS, which will be due October 1, 2019. Additionally, those institutions that early implement will not be required to comply with the current requirements in 34 CFR 668.412 (d) and (e) that require institutions to include the disclosure template, or a link thereto, in their GE program promotional materials and directly distribute the disclosure template to prospective students, which will be required starting on July 1, 2019. Institutions that early implement will no longer be required to post the GE Disclosure Template and may remove the template and any other GE disclosures that are required under 34 CFR 668.412 from their web pages. Finally, an institution that early implements will not be required to comply with the certification requirements for GE programs under 34 CFR 668.414."
